Consent of Qualified Person – NI 43-101 Technical Report on the Russell Lake Property

I, John Shmyr, B.Sc., P.Geo., of Dahrouge Geological Consulting Ltd., consent to the public filing of the technical report titled “NI 43-101 Technical Report on the Russell Lake Property, Saskatchewan, Canada”, with a signature date of August 18, 2026 (the “Technical Report”), prepared for Skyharbour Resources Ltd. (“Skyharbour”) on the Russell Lake Uranium Project, Saskatchewan.

The Technical Report supports the disclosure contained in the news release of Skyharbour dated September 3, 2026 and titled “Skyharbour Files Independent NI 43-101 Technical Reports on its Co-Flagship Moore and Russell Lake Uranium Projects, Saskatchewan” (the “News Release”).

I also consent to the use of extracts from, or a summary of, the Technical Report in the News Release.

I confirm that I have read the News Release and that it fairly and accurately represents the information in the Technical Report, for the preparation of which I am responsible.

Dated this 2nd day of September, 2026.

John Shmyr, B.Sc., P.Geo.

Principal Geologist | Regional Lead
